Sixth Form & College Open Events for 2021- 22 Entry

Updated 20 October 2020

This bulletin lists open events at sixth forms and further education colleges that may be of interest to young people from Central London. Due to the Coronavirus (COVID-19) situation most institutions have moved to online events and virtual tours. The information was correct at the point of publication, but events are added and changed regularly, so we strongly recommend checking with the sixth form or college before attending. In most cases, registration or booking is required in order to attend (or virtually attend) an event. Where this is required a link has been given for booking. Contact details for enquiries are listed for each institution, along with links to any web pages with details of events and registration. For those thinking about attending an event in person (as well as everyone else) it is important to follow advice from the government at www.gov.uk/coronavirus and the NHS at <https://tinyurl.com/vccz7ux>.
