Re: Year 9 Activities Week Plan Monday 12th – Friday 16th July 2021

I am writing to share our plans for this year's Activities Week which takes place during the final week of the summer term. The overarching theme this year is *Environmental Sustainability*, and year teams have been busy planning sessions for the students that reflect the theme. Across Monday 12th July and Tuesday 13th July, a range of activities will take place either on school site or during visits to local parks. Details of the locations of the activities are listed below:

9A	School based activities	Hyde Park
9I	School based activities	Hyde Park

Students will walk to Hyde Park with staff, and should wear their PE kit and trainers. Students in receipt of Free School Meals will be provided with a packed lunch, and all other students should bring a packed lunch with them. The plans across the remaining days of Activities Week are as follows:
